

PHILCO 1940 RMS YEAR BOOK

HOME and AUTO RADIOS

Alignment Instructions :- **Schematic Diagrams**
Production Changes :- **Setting Push-Button Tuning**
Phonograph Record Changers :- **Replacement Parts**

Parts and Service Division
PHILCO RADIO and TELEVISION CORPORATION

PHILCO REPLACEMENT PARTS

Many of the parts, such as condensers and resistors used in the models listed in this book are held to much closer tolerance than standard replacement parts.

Genuine Philco replacement parts must be used to obtain satisfactory performance from Philco Receivers.

INDEX

Home-Radio Models

The Procedures for setting and operating electric push-button tuning on Home Radio Models are listed on pages 9 and 10.

Aligning instructions for the R. F. and I. F. circuits of Compact Models "TH," "TP," and "PT" are on pages 6, 7, and 8.
