PHILCO 1008

PHOTO-ELECTRIC RADIO-PHONOGRAPH

PHILCO PHOTO-ELECTRIC REPRODUCER. Permanent Floating Jewel plays any record on a Beam of Light. No needles to change; surface noise and record wear reduced by 10 to 1.

9 PHILCO TUBES. Including noise-reducing Philco XXL Converter tube, two Push-Pull Beam Pentode Output tubes and famous Loktal tubes, invented by Philco.

NEW PHILCO AUTOMATIC RECORD CHANGER. Invented and developed by Philco engineers. Changes records gently and quickly; simple and reliable in operation. Plays ten 12-inch or twelve 10-inch records at one loading.

NEW STROBOSCOPE PITCH AND TEMPO CONTROL. *Another Philco first!* Shows turntable speed through the famous Stroboscopic principle. Enables you to play records at perfect recording-studio pitch and to adjust tempo as you prefer. For Home Recording, permits adjustment of turntable speed to produce lifelike result never before achieved.

NEW IMPROVED PHILCO TILT-FRONT CABINET. No lid to lift! Simply tilt forward the grille, place records and tilt it back. Interior Light illuminates turntable.

POWERFUL VARIABLE-SPEED PHONOGRAPH MOTOR. Runs at normal speed (78 RPM) for standard records and slow speed ($33\frac{1}{3}$ to 39 RPM) for double-length Home Recordings.

NEW PHILCO BUILT-IN SUPER AERIAL SYSTEM. Amazing increase in sensitivity is achieved by newly developed noise-reducing Low Impedance Built-In Loop Aerial combined with new Double I. F. Radio Circuit.

ELECTRIC PUSH-BUTTON TUNING. For 5 favorite stations, plus 1 button for "Off."

TUNING BANDS. Covers Standard American Broadcasts, Day and Night American and Foreign Short-Wave Stations and State Police Calls.

OTHER FEATURES include Concert Grand Balanced Field Electro-Dynamic Speaker . . . Push-Pull Pentode Audio System with added stage of amplification for record reproduction . . . Combined Bass Compensation and Tone Control . . . Illuminated Shifting Band Arrow . . . Automatic Volume Control . . . Illuminated Horizontal Dial . . . handsome console cabinet; sliced Walnut, with butt Walnut ends and pilasters.
