Before requesting free Warranty Labor Service, consult your own Car Division Service Bulletins and follow carefully the special instructions and routine prescribed.

The designations to the extreme right of the name indicate:

- D —Warranty Labor Distributor

- S —Service Station

Only Warranty Labor Distributors "D" and "D-S" are permitted to receive incoming shipments of Receivers from outlying car dealers for free Warranty Labor Service, and to make the return shipment "Prepaid". For further details, consult your Car Division Service Bulletin.
