# PHILCO CORPORATION

OF CANADA LIMITED

TORONTO  
CANADA

August 1, 1942.

TO ALL MEMBERS OF RADIO MANUFACTURERS SERVICE:

Gentlemen:

In order to enable you to identify early models of Philco receivers as to year of manufacture, number of tubes and original list price, we are sending you a complete reference list showing all Philco sets sold in Canada since the Fall of 1928.

The model numbers of the A.C. sets shown are twenty-five cycle. To determine the sixty cycle number, simply drop the letter "A" shown on all A.C. sets from the Fall of 1930 to date. This does not apply to Car Radio Models. The equivalent sixty cycle numbers for earlier sets are as follows:

<u>25 Cycle</u>		<u>60 Cycle</u>
521	--	511
82	--	86
62	--	65
83	--	87
92	--	95
73	--	76

AC-DC sets are marked "AC-DC" in the description.

We suggest that you keep this list on your file for future reference.

Yours very truly,

PHILCO CORPORATION OF CANADA LIMITED,

*Chas. O. Baldwin*

Manager,  
Parts & Service Di

# PHILCO CORPORATION

OF CANADA LIMITED

TORONTO  
CANADA

August 3, 1942.

TO ALL R.M.S. MEMBERS:

Radio Owners! Protective Service is proving to be the biggest thing that has ever been done for the radio industry by any radio manufacturer.

Philco dealers and R.M.S. Members from every locality in Canada are taking advantage of this new partnership wherein Philco, and Philco distributors, co-operate with dealers and servicemen to enable us all to share the advantages of mutual association. The old saying "In unity there is strength" has certainly been proven to be true by Radio Owners' Protective Service.

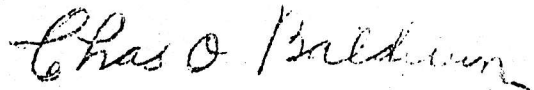

R.M.S. Members should not delay in making arrangements with Philco dealers in the R.O.P.S. plan. The national publicity and prestige that is being given to the R.M.S. name will be of incalculable value to you in your community.

Boost R. O. P. S.!

For your convenience, we have brought up to date the complete listing of all Philco radios manufactured to date. This list is attached.

Yours very truly,

PHILCO CORPORATION OF CANADA LIMITED,

Manager,  
Parts & Service Division.

C.O. Baldwin:  
GB.
