Greetings - -

To Members and Friends on Behalf of the Officers and Members of Our Union

I wish to extend sincere thanks to the members of the 25th Anniversary Committee, the Advertisers, and Patrons for their efforts toward the success of our Banquet.

Social functions of our Union tend to cultivate friendship and promote fellowship among our members.

We know that a television set is not merely pieces of wood and metal. It requires finish, trimmings, and style to make it an instrument of beauty — giving satisfaction to the user.

Let us carry forward our spirit of organization, and build an even better and greater Union in the years that are to come.

25 YEARS - - 1933-1958

I wonder how many of those who walked out in **1933** and helped to bring RADIO & TELEVISION WORKERS' FEDERAL LABOR UNION 18368 into being, could possibly visualize the progress that we have made during the past 25 YEARS.

Under the leadership of the Local Officers and the International Offices, changes were made not only in affiliation—so that now we are known as RADIO & TELEVISION WORKERS LOCAL 101, affiliated with the IUE-AFL-CIO—but changes have been made in wages and working conditions.

Who would have thought in **1933** that in **1958** we would have a minimum wage of \$1.68, holidays and vacations, pension plan and severance pay, seniority and recall rights, together with welfare insurance. Sick and accident benefits were achieved as well as make-up pay in case of plant injuries.

Even with all the changes, much has to be done; some ground has to be recaptured, and we must never rest on our past laurels, for when we do, we go backwards. We must recapture the shorter work week as we enjoyed in 1937, and bring it down still lower without loss of pay. We must better our lot—and we can only do this by HAVING A STRONGER LOCAL, A STRONGER INTERNATIONAL UNION, BY ORGANIZING THE UNORGANIZED AND BY UNIONIZING THOSE WE ORGANIZE. Labor Unionism is like religion—we must practice it daily—not just on certain days.

YOU and I are here today celebrating this 25th ANNIVERSARY and enjoying conditions unheard of in **1933**. We enjoy these conditions in **1958** because of the effort and sacrifices made by Union Men and Women in the Shops and on the Picket Lines.

In this, our hour of celebration, we must take time out to re-dedicate ourselves to the task that lies ahead:

TO BRING TO THOSE WHO WORK
THE BEST POSSIBLE WORKING CONDITIONS
AT THE HIGHEST POSSIBLE WAGE

I am sure you join with me in congratulating those who made all this possible—Members, Stewards and Officers—and will continue to make every effort to move forward.

Sincerely,

HARRY BLOCK
